Subject: Meeting??

Hi,

Just curious if we are still going to start the one chemist trial period next week? (We will have to notify Della, Peter and Betsy.)

If we are, could we meet at some point this week to discuss the comprehensive reviewer form? Della, Dannie and Peter have given me their concerns and suggestions.

I am scheduled to be in Middlesex Superior tomorrow in AM and trying to head out at 1:00pm on Friday?

Thanks.

Annie
